

WE APPLAUD YOUR PASSION, GRIT AND TASTE IN RACECARS.

Motorsport is not a job. It's an all-consuming passion. A life devoted to beating the clock, the competition and your high expectations. You chose to race BMW and we commend you on a hard-fought 2009 season. Each and every race, you left all you had on the track. We could not think of greater ambassadors for The Ultimate Driving Machine.®
